

The International Plant Protection Convention (IPPC) has opened six draft International Standards for Phytosanitary Measures (ISPMs) and one draft specification document for the 2018 Consultations. CAHFSA is inviting stakeholders to participate in the Consultation on these documents by the due dates listed below.

Draft Specifications

The following draft specification is open for consultation:

- [Use of systems approaches in managing the pest risks associated with the movement of wood commodities.](#)

Draft Standards

The following draft standards are available for **first consultation**:

- [Draft Revision of ISPM 8: Determination of pest status in an area](#)
- [Draft ISPM: Authorization of entities to perform phytosanitary actions](#)
- [Draft ISPM: Requirements for the use of modified atmosphere treatments as phytosanitary measures](#)
- [Draft 2018 Amendments to ISPM 5: Glossary of phytosanitary terms](#)

The following draft standards are available for **second consultation**:

- [Draft 2017 amendments to ISPM 5: Glossary of phytosanitary terms](#)
- [Draft ISPM Requirements for the use of fumigation as a phytosanitary measure](#)

Background information may be found at the following link: <https://www.ippc.int/en/core-activities/standards-setting/member-consultation-draft-specifications-ispm/>

Comments on the draft specifications may be submitted to CAHFSA by August 15, 2018 and on the draft standards by September 16, 2018

Comments should fall into one of three categories: substantial, technical, or editorial. Provide alternative wording and a justification for any suggested amendments.

Send your comments by the due dates identified above to:
